Not only is this tournament a great opportunity for the wrestlers to compete in a fun tournament and focus on takedown skills, it is also a great fundraiser for our club. The club's takedown totals will be emailed after the tournament is complete. Each wrestler will then have two weeks to collect their pledges based on that number. ***Funds collected help provide scholarships to wrestlers, pays entry fees to tournaments, off-sets travel expenses to tournaments, upgrade equipment, hosting guest clinicians, and funding social activities for the club.*
